

AIRMONT ACQUIRES JETSTREAM: A NEW WAVE OF INNOVATION IN THE STREAMING INDUSTRY

Ermont 22th February 2024 – Airmont, a leading technology solutions provider is thrilled to announce its latest strategic move: the acquisition of Jetstream Co, the pioneering yacht video streaming powerhouse founded by Will Faimatea in 2009. This strategic partnership marks a significant milestone in the evolution of the seamless digital entertainment landscape.

Airmont, known for its commitment to innovation and excellence, has been a trailblazer in redefining how we stream our own content and how we get Live TV in an affordable and reliable manner while travelling in air, at sea or on land.

With this acquisition, Airmont expands its footprint in the ever-evolving world of streaming media, reinforcing its mission to provide unparalleled wonderful experiences to its global audience.

Synergy in Innovation

The synergy between Airmont and Jetstream is rooted in a shared vision of pushing boundaries and reimagining the streaming landscape. Jean-François Gault, the founder of Airmont, played a pivotal role in Jetstream's early days, introducing their cutting-edge technology to Head-of-state aircrafts.

Both hailing from humble beginnings, these small enterprises have ascended to become formidable experts in their respective niches within the video streaming industry.

By joining forces, this acquisition enhances Airmont's ability to deliver even more compelling and diverse entertainment experiences across its platforms.

The Future of Streaming

As streaming continues to dominate the entertainment landscape, Airmont's acquisition of Jetstream positions the company at the forefront of this digital revolution. With the integration of Jetstream's technology and content, Airmont is poised to set new standards for streaming quality, user experience, and content variety.

The merger promises an exhilarating fusion of technologies and markets, seamlessly integrating the strengths of Airmont and Jetstream. Customers from both sides can now anticipate an unparalleled streaming experience, enriched by the best that each company has to offer.

The expertise and resources will set a new benchmark for the industry, ushering in a new era of immersive, high-quality content delivery on Yachts and Business jets.”

"This acquisition is a testament to Airmont's commitment to innovation and our dedication to providing our audience with the best possible entertainment experiences," said Jean-François Gault, Executive President at Airmont. "We are excited to embark on this journey with Jetstream and look forward to shaping the future of streaming."
